Kingston Parents, Students, and Staff:

We were notified today that a Kingston Elementary Staff member has tested positive for COVID-19. The staff person was last in the building Monday morning, November 9th. All individuals, staff, and students who may have had close contact, within 6 feet for 15 minutes or more in a 24 hour period, with the employee have been notified and asked to begin the quarantine period.

The Tuscola County Health Department has been notified and has shared the required protocol with Kingston Community Schools administration.

We are asking everyone to stay diligent with any health concerns, staying home when feeling ill, or when learning of potential contact/exposure to best ensure our students and staff's health and safety.

Sincerely,

Matt Drake, Superintendent

Kingston Community Schools
