November 20th, 2020

Kingston Parents, Students, and Staff:

We were notified today that (2) Kingston Elementary Staff have tested positive for COVID-19. One of the staff members was last in the building on Wednesday November 12th, the second was briefly in the building Monday, November 16th but had no contact with staff or students at that time. All individuals, staff and students, who may have had close contact, within 6 feet for 15 minutes or more in a 24 hour period, with the staff members have been notified.

The Tuscola County Health Department has been notified and has shared the required protocol with Kingston Community Schools administration.

We are asking everyone to stay diligent with any health concerns, staying home when feeling ill, or when learning of potential contact/exposure to best ensure our students and staff's health and safety.

Sincerely,

Matt Drake, Superintendent

Kingston Community Schools
