Re: Early Release on Thursday

---

Hello Kingston Cardinal Community,

As I am sure most of you know our girls Varsity Basketball team has advanced to the state semi-finals, Thursday, March 21st, 2019 at Calvin College in Grand Rapids. Because the game is a 5:30pm start and we dismiss at 2:50pm HS and 3:00pm Elementary School we have a conflict for many students and staff.

We have never had a girls basketball team advance this far in the tournament and we want to make this once in a lifetime event accessible for everyone who wishes to attend. For that reason we are going to have an unplanned early dismissal on Thursday, March 21st, 2019. The Jr/Sr High will dismiss at 1:20pm and the Elementary will dismiss at 1:30pm. This will allow our fanbase to travel with adequate time to make the start of the game.

We appreciate everyone's flexibility and understanding. It is our goal to always support our students in all of their endeavors to the greatest of our ability.

Go Cardinals!!!!
